

Attend Our Virtual Town Hall

#BeAGoodNeighbor

Please join us to learn about our 2021 Be A Good Neighbor Initiative!

We've invited a couple of our Good Neighbors to talk about;

- How well Richland County has demonstrated their RESILIENCE.
- How Richland County residents have reached out and supported their neighbors.
- Where to find good information for Richland County Services, Events and community information.
- How we can keep the momentum going! Let's work together to identify needs in our local neighborhoods? Create new partnerships. Build community communications and identify gaps in support and services. Let's fix what is not working and increase what is. Working together on community projects just as we have COVID-19 ensures a better neighborhood and future for all of us.

Guests Include:

Sherry Branham - Richland County Mental Health & Recovery Services Board

Captain Chad Brubaker - Mansfield Police Department

This event will be streamed LIVE on the Richland County Mental Health & Recovery Services Board Facebook page May 24th at 5:30pm. Learn more at BeAGoodNeighborRichland.com
