8:30am to 12:00pm

**Registration begins 1/2 hour before
the start time**

Continuing Education Credits for Counselors Social Workers and Marriage and Family Therapists. Sponsored by Catalyst Life Services

Location:

Area Agency on Aging
2131 Park Avenue West, Suite 300
Ontario, Ohio 44906

The training will examine the laws and rules of ethics for those who are certified or licensed by the Ohio Counselor, Social Worker and Marriage and Family Therapist (CSWMFT) Board and/or the Ohio Chemical Dependency Professionals (CDP) Board. The training will be an examination and comparison of the codified rules of both boards including each board's code of ethics, licensure requirements, scope of practice, and confidentiality. There will be interactive discussions of scenarios throughout the training and whether these scenarios are violations of the ethics rules of the boards.

Objectives:

1. Examine all the ethics rules outlined in the current codes of ethics per the Ohio Administrative Code (OAC) that apply to individuals certified/licensed by Ohio Counselor, Social Worker and Marriage and Family Therapist (CSWMFT) Board [Ohio Administrative Code Chapter 4757-5 Code of Ethics and Chapter 4757-6 Ethical Practice] and the Ohio Chemical Dependency Professionals (CDP) Board [Ohio Administrative Code Chapter 4758-8 Code of Ethics for Chemical Dependency Counselors and Chapter 4758-8-02 Code of Ethics for Clinical Supervisors].
2. Differentiate between certification/licensure requirement, scope of practice, and licensee responsibilities and supervision requirements for each of the licenses of the CSWMFT and CDP boards outlined in the Ohio Revised Code (ORC) and Ohio Administrative Code (OAC) and how operating outside of the scope of practice or without proper supervision can be an ethics violation.
3. Examine specific nuances of ethics regulations that may apply to different providers or situations that arise in a clinical or supervision setting. (Example: supervision by LPCC or LISW of a CDCA or LCDCH and behaviors that may be a violation for licensees of the CSWMFT Board but is not addressed in the OCPD Board code of ethics.)

About the Trainers:

Christy Ellis-Trolian, MA, JD, LPCC-S, LICDC-CS

Christy is a National Trainer for Train For Change, educating hundreds of professionals on the current ASAM levels of care. She has also served as an adjunct professor for Tiffin University's Graduate and Distance Education Program. She was the founding Director of the Center for Addictions at Ashland University where Christy developed an associate degree and a minor for students interested in becoming chemical dependency counselors as well as continuing education trainings for addiction professionals. Christy is a Licensed Professional Clinical Counselor with training supervision designation (LPCC-S), a Licensed Independent Chemical Dependency Counselor Clinical Supervisor (LICDC-CS) and an inactive Licensed Attorney at Law in the state of Ohio. She holds a B.A. in Psychology and M.A. in Counseling from the University of Akron as well as a Juris Doctor degree from the University of Akron School of Law. She has nearly 30 years of experience in mental health and addictions counseling, supervision, and administration.
